

KCA Board of education and teachers have worked to arrange students into smaller groups or pods. This is in effort to help reduce large gatherings and provide the best educational experience for your child.

In addition to daily cleaning of restrooms, handrails, students desks and chairs and the cleaning of lunchroom tables after each session. KCA would like to provide the following plans to help keep your child healthy and safe.

This phrase planning is to provide assurance and education about our efforts for your child's health. Please understand that we will work to provide more information about what Plan C will look like based on the grade of your child as the first of the school year approaches.

Pod 1
Preschool, Kindergarten, First and Second Grade

Pod 2
Third, Fourth and Fifth grade

Pod 3
Sixth, Seventh and Eighth grade.
